

Blind Stops made of Polyamide 6 are used wherever threads previously cut must be closed for preventing dust, dirt and foreign matters from entering the enclosure or equipment. Flat washers of Neoprene are provided on the threaded part to get the IP 68 protection. Blind stops for explosion proof environment are also available.

Technical Details :	
Material	Polyamide 6
Colour	RAL 7001 (Grey) RAL 9005 (Black)
Threads available	Pg, Metric
Protection Class	IP 68
Temperature Range	-20°C to +80°C
Certificate No.	CESI 06 ATFX 034X
Approval	EEx e II - RAL 9005 (Black)
