

Connectors For Fitting Conduit To Sensors

These connectors are used to connect conduits to standard proximity sensors. They are free for Halogen Phosphorous Cadmium.

Technical Data

Material	High Quality Polycarbonate
Colour	Transparent White
Temperature Range	-40° C to +105° C Continuous +150° C Short Term
Protection Class	IP 67

Ordering Information

Cat. No.	Suitable for Conduit Size	Proximity Sensor Size	Total Length (mm)	Standard Pack (Pieces)
TIS-M08T	10	M8x1	61.5	100
TIS-M12T	10	M12x1	61.5	50
TIS-M18T	10	M18x1	61.5	50
TIS-M30T	10	M30x1.5	61.5	30
