

Bulk Head Mount Housings With 1 Lever

Bulk head mount housings are mounted over cut-outs in the electrical control panels where the conductors approach the inserts fixed inside the housings through the cut-outs. In this case the bulk head mount housings are provided with a hinged cover which closes over the housing in the absence of the hood to be mounted on it.

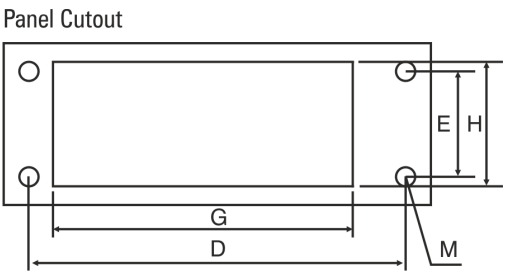

Technical Data

|                  |                               |
|------------------|-------------------------------|
| Material         | Die cast Alluminium alloy     |
| Protection Class | IP 66                         |
| Gasket           | Vinyl Nitrile Elastomer (NBR) |
| Voltage          | For Inserts upto 500V         |
| Thread           | Pg, Metric                    |
