

## **Technical Data**

| Material          | I | NBR, black       |
|-------------------|---|------------------|
| Temperature Range |   | -35° C to +120°C |
| Threads available |   | Metric Thread    |

## O Rings - For Metric Thread Cable Glands

O-rings are round sealing elements made up of NBR material with circular cross-sections and are mainly used in static applications. These sizes are defined by the internal width and the cross-section width. These rings can withstand a wide temperature range from -20-degree Celsius to 100-degree Celsius. They are available in Metric thread type.

## **Ordering Information**

## **Metric Threads**

| Metric Till edds |  |  |  |  |  |
|------------------|--|--|--|--|--|
| Internal Thread  | Size   | Thickness  | Standard Pack (Pieces)   |  |  |
| 10.5             | M12 x 1.5                                    | 1.5  | 50   |  |  |
| 14.5             | M16 x 1.5                                    | 1.5  | 50   |  |  |
| 18.5             | M20 x 1.5                                    | 1.5  | 50   |  |  |
| 23               | M25 x 1.5                                    | 2  | 50   |  |  |
| 30               | M32 x 1.5                                    | 2  | 50   |  |  |
| 38               | M40 x 1.5                                    | 2  | 50   |  |  |
| 48               | M50 x 1.5                                    | 3.5  | 50   |  |  |
