

### Panel Mounting Straight Inlet - CPIS53248

These inlets act as fixed male connectors and can be mated with female connectors. Connectwell straight inlets are suitable for mounting onto panels which have a 'recess' behind them. The straight inlets ensure that on mating the plugs remain perpendicular to the panel surface.

### Technical Data

Material	Copper Zinc Alloy (MS 58)
Voltage Rating (V)	400
Current Rating (A)	32
No of Pins	5
Ingress Protection	IP 44
Connection	Screw Connection
Contact Resistance	< 1m?
Suitable Wire Cross Section Stranded	6
Suitable Wire Cross Section Solid	10

### Ordering Information

Cat. No.	Description	Std. Pack
CPIS53248	INLET	1
